P. O. Box 98000
Baton Rouge, Louisiana 70898

Dear Dr. ^{Don}Hines:

Thank you for hosting the first joint meeting of our Commissioners.

I feel the meeting was most productive and hope it is the beginning of a continuing dialogue between our agencies.

I will be in contact in the near future to begin making plans for another meeting, possibly in the spring, to be held in Texas at the Department's A.E. Wood Fish Hatchery Complex in San Marcos, Texas.

Again, I certainly appreciate your wonderful hospitality and that of the staff of the Department of Wildlife and Fisheries in hosting this meeting.

Sincerely,

A handwritten signature in dark ink, appearing to read "Chuck Nash", is written over the word "Sincerely,".

RE: Joint Commission Meeting in Texas

Ann Hendricks with the Texas Parks and Wildlife Department, who has been working on the arrangements for the meeting called today and would like to know if you or the Commission would have any problems with changing the tentative schedule. They would like to have the joint meeting on Thursday at the fish hatchery around 4:00 p.m. after the tour and then from there everyone would go to the cookout. On Friday everybody can leave when they wanted to.

The reason for this is that the Texas Commissioners have been going to Austin a lot because of the situation with the Executive Directors' position and they have to be there on the 19th for another meeting which would make it easier to meet with you on that date. Ann stated that by having it on Thursday instead of Friday there will probably be better attendance since they already have to be there.

Do you have any problems with this? Do you want me to call the Commissioners that are attending and ask them? I will need to let Ann know as soon as possible.

Ann Hendricks 512-389-4702

TEXAS AND LOUISIANA JOINT COMMISSION MEETING

Need to obtain following information from persons attending:

TRANSPORTATION TO TEXAS - Has everyone arranged their own transportation or do they need us to do it?

LODGING - Arrangements have been made at the Windham Hotel located approximately 3 miles from the Texas department. The rate is \$50 a night (Single or Double). Reservations have been made for singles; if anyone wants a double we need to know. Anyone planning to bring their wife?

TRANSPORTATION - Anyone needing transportation from the airport to the hotel upon arrival, Texas will provide. We will need time of arrival. Transportation will be provided by Texas department for outings, etc.

Everyone should plan on arriving in the morning since Texas is planning to start field trips around 12 Noon.

Dear Virginia:

I have discussed your suggested meeting dates for a second joint meeting of our commissioners with Chairman Nash. The week of July 16-20, 1990 appears to be a good week to schedule the meeting. Please let me know the two days within that week that would best suit your Commissioners.

I am tentatively planning a tour of our San Marcos Fish Hatchery Facility (approximately 30 miles from Austin) the afternoon of the first day followed by an evening get-together and meal hosted by our Commissioners. After an overnight stay in Austin, the Joint Meeting would be held at Department headquarters beginning at 9:00 a.m. with adjournment by Noon.

As we proceed with further plans for the meeting I will forward a proposed agenda to you for your approval and suggested topics for discussion.

Sincerely,
